

Please stop Sinclair Broadcasting from abusing their power!! Sinclair Broadcasting is planning to force their stations to air an anti-Kerry documentary days before the election, without balancing it with an anti-Bush or pro-Kerry documentary. This is a clear example of the dangers of media consolidation. This HURTS OUR PRECIOUS DEMOCRACY!! And it is WRONG.

Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest. But when large companies control the airwaves, they can abuse that power. There is a conflict of interest -- the companies care about their bottom line, but the airways are supposed to SERVE THE PUBLIC!!

Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. They show why the license renewal process needs to involve more than a returned postcard. Thank you.
